The stunning retro-inspired Scrambler 50 model has just been unveiled as the latest addition to the fun and affordable WK Bikes range. The new model is one of few 50cc geared motorcycles available, it has the same sharp looks and features as the highly-rated Scrambler 125, and can now be ridden by 16 year olds with a CBT. The Scrambler 50 offers exceptional value for money and includes a 2-year parts and labour warranty. The Scrambler 50 comes in two dynamic colour variations, with a stealthy black version and a classy grey option for riders to choose from. The new model features a reliable 50cc 4-stroke, single-cylinder engine for excellent fuel-economy and a low 780mm seat height, making it accessible to lots of riders. The bike features lots of high-quality components including LED lights, digital instruments and steel braided brake lines, to complete the contemporary look and performance. The new WK Bikes Scrambler 50 is ideal for anyone looking for a lightweight, small capac...
